

2025 CONSOLIDATED Primary Candidate Survey

Please **complete this survey no later than 12/20/24**. Please contact Bruce Johnson, Chairman at 847-668-8516 if you have any questions.

Thank you for your desire to serve. The Algonquin Township Republican Party wants to help you reach our voters. When our voters don't know who to vote for, they often don't vote as seen by the low number of voter turnout during Primary Elections. The Democrat Party are NOT having a Primary Election. They are selecting their Candidates in a Caucus. That's why we created this Survey. We'll be posting your answers on our website www.algtwpgop.org and contacting our voters to access the website to help them determine who to vote for.

We invite all Candidates to complete the survey and help us inform our voters. The survey allows voters to view how candidates intend to govern—information they need to feel confident they're picking the best person for the role.

Minimally, please answer the first four questions:

- **Who are you? Tell us about yourself in 200 words or less.**
- **What are three goals that you want to achieve if elected?**
- **What skills and experience do you bring to the office?**
- **What would you do to bring greater financial transparency and accountability to government?**

Candidates can decide which additional questions to answer. We believe that the first four questions illustrate why a candidate is running and what they hope to achieve in the office.

Thank you for completing the survey. It helps us to help you inform our voters.
